Respected Sir,

Your letter dated 12th January 1978, has been passed over to me for necessary action, as I am attenting to most of the works connected with the Diamond Jubilee Celebrations of the Club.

Regarding Cyclone Relief Fund we have requested all the members by means of our letter dated 1-12-1977(copy enclosed) to contribute their mite subject to a minimum of Rs. 5/-. As you will see from the letter it was mentioned that in case we were not intimated of the willingness or otherwise of the members to make contribution, we may be permited to presume that they will have no objection in debiting their account with minimum of Rs. 5/-. In case you do not wish to make donation in view of you having contributed already, we will reverse the entry.

About the debenture I may bring to your kind notice that at the Special General Body Meeting held on 22-10-1977 it was decided to celebrate the Diamond Jubilee of the Club in a befitting manner and to commomerate the occasion, a building may be put up, ground floor for expansion of the club activities and the first floor for living rooms. As to the finance to meet the cost, it was decided to issue debenture for Rs. 250/- each and it was decided that every Permanent Member including Hon Members must take atleast one debenture of Rs. 250/-. For the convenience of the members it was also passed that the debenture amount can be paid in 10 monthly instalments commencing from November 1977 onwards. On 27-10-1977 we have sent a circular letter to all the members to inform as to the number of debentures they wish to subscribe to and whether they would opt to avail of the instalment facilities or pay the amount in one lumpsum. The date was also fixed for the replies to be received here. For those from whom no replies were received we have debited their account with the value of one debenture of Rs. 250/- payable in 10 monthly instalment. Accordingly your account has also been debited with Rs. 25/-.

I may in this connection bring to your kind notice that all the members including Hon. Members have co-operated with the Executive Committee and subscribing to one debenture. Since this is the first time in the history of the club that a prestigeous project has been taken up, I request you to kindly help us by subscribing to one debenture. For your easy reference I am enclosing a copy of the proceedings of the Special General Body Meeting.

Awaiting to get a ~~favourable~~ reply.
